

## District heating delivery agreement – **New establishment**

An agreement has been reached between the owner(s) of the property below and Billund Varmeværk a.m.b.a. to connect district heating to the property located:

Street / number:	Choose	
Zip code / City:	Detached house	
	Town house	

Included in the offer is:

- Excavation and laying of up to 20 meters of district heating supply line. Additional length will be invoiced pr. meter according to the tariff sheet
- Supply line finished with main taps just inside the outer wall
- Re-establishment of the excavation
- During the construction period, heat is billed for up to 6 months as construction heat according to the tariff sheet.

By signing this agreement, the owner of the property confirms that the

- Articles of association (Vedtægter)
- General- and Technical provisions for district heating delivery (Almindelige- og Tekniske bestemmelser for fjernvarmelevering)
- Tariff sheet (Takstblad)

applies to the delivery. These can be found on our website [www.billund-varme.dk](http://www.billund-varme.dk).

The owner(s) of the property becomes a cooperative owner in Billund Varmeværk.

### **Important regarding BBR information!!**

**Owner(s) of the property must themselves update the public BBR register regarding heat supply. Read more about changes to BBR information at [www.bbr.dk](http://www.bbr.dk)**
